## COCOPLUM ESTATE

This sprawling bay front mansion required a total redo from floor to ceiling, including a 3,000 square-foot second floor addition, bringing the home's total square footage to over 10,000sf. Beginning with the raw shell, we designed and built an entirely new interior, added impact windows, doors, coffered ceilings, a new driveway with artificial grass inlays, marble flooring and baths, custom closets, extensive millwork, a new bar area, a new infinity pool, and over 30,000sf of landscaping and garden design.

## HIGHLIGHTS OF AN EXTRAORDINARY TRANSFORMATION

- CUSTOM WINE CELLAR
- WOOD paneled CIGAR LOUNGE
- MARBLE SLAB STAIRWAY with treads that automatically illuminate with every step
- REMODELED ELEVATOR
- FULLY INTEGRATED HOME AUTOMATION

## REDEFINING PH LUXURY

MV Group transformed this raw, two bedroom loft space into a full 3 bedroom 2.5 bathroom oasis. We incorporated marble tiles throughout the apartment, with custom cut slabs for the stairs. The 20' ceiling heights are accentuated by extravagant chandeliers and motorized flowing ripple-fold linen drapes. The foyer walls of the apartment are covered with silk wallpaper and natural stone to the custom-built walk-in closets, pantry, linen closets, laundry room and utilize rooms are
